

“We have always dedicated a lot of time to fundraising applications, but we never before had the facility where people in the community could donate to us in such a quick and convenient way.”

– Kate Mukungu, Tyneside Women’s Health

## What is Localgiving.com?

Localgiving.com strengthens communities like yours by providing local charities and community groups with webpages and access to online fundraising tools, as well as the training to use them effectively.

These tools will help your organisation to secure reliable sources of support so you can continue your great work.

# Localgiving.com

Make a difference in your community

## Localgiving.com provides you with:
