

## The Cars, Big Local Fund Criteria and Guidance Notes

### Small Grants up to the value of £1000

#### 1.0 Contact Details

- 1.1 'BIG Local' is supported by Colebridge Trust Ltd as the 'Local Trusted Organisation' on behalf of the BIG Local Partnership. Solihull SUSTAiN is one of the operating brands of Colebridge Trust Ltd.
- 1.2 Colebridge Trust's Head Office is based at Lower Ground Floor, The Core, Homer Road, Solihull, B91. Their contact for Big Local is Lou Beddoe. Lou is available on 0121 704 7860 or [louiseb@solihull-sustain.org.uk](mailto:louiseb@solihull-sustain.org.uk) should you wish to contact her.

#### 2.0 What is BIG Local?

- 2.1 'Big Local' is an initiative of the Big Lottery Fund and an excellent opportunity for residents to spend £1m over 10 years to make a massive and lasting positive difference to 'The Cars' area of Smiths Wood.
- 2.2 'Big Local' is about bringing together the local talent, ambitions, skills and energy of local residents, groups and organisations who want to make the Cars area an even better place to live, by meeting priority needs which have been identified by local residents.
- 2.3 The Big Local vision for the Cars is:

*'To breathe life back into the Cars by increasing opportunities for the community to come together, creating more community leaders and fostering the development of a more prosperous and sustainable community of which we can all be proud'*

#### 3.0 Who can apply for small BIG Local grants? \*

- Small Constituted Groups
- Not for profit Sports Clubs
- Registered Charities
- Social Enterprises/CIC's

**\*NB** – If you are an individual with a project idea please come and speak to us.

#### **4.0 Eligibility**

- Funding request must be for activity of benefit to **The Cars Area, Smith's Wood**.
- Priority is given to existing groups and organisations currently providing activity in The Cars Area.
- Priority will be given to smaller organisations with an income of less than £50,000 (based on your most recent accounts).
- You can only hold one Big Local grant award at any one time.
- Priority will be given to applications that evidence elements of sustainability

We are keen for relationships to develop both between The Cars Area residents and providers of activity. For this reason, we request that you support us with our efforts to improve outcomes for residents of The Cars Area by:

Helping out at our community fun days either by providing an activity or generally 'helping out'

Attending an informal quarterly 'get together' with other group providers and residents.

No grants will be made for work/activities already carried out.

#### **5.0 Funding Specifications**

- Awards are made to a value of between £100 - £1000
- The Cars, Big Local Funding Panel (which is made up of local organisations and residents) retain the right to award less than the amount requested.
- Part of the terms and conditions of the grant will be to publicise that activities were funded by The Cars, Big Local. We can help you with this
- Awards can be made for capital or revenue costs and running costs.
- Payment will be made in two payments. First payment upon panel approval of the project and the second mid-way through. Invoices and project update paper work will be requested prior to payments being made.

#### **6.0 The Cars Big Local's priorities for grant funding**

To be eligible for grant funding your group must help us to deliver at least one of the following priorities:

##### **Priority 1 Park, Green Spaces and local environment**

Develop activities that improve the local environment or that enable the community to make the best use of existing green space.

##### **Priority 2 - A stronger, more involved community**

Develop activities that enable the community to come together, develop new relationships and achieve common goals.

### **Priority 3 - Young People**

Develop positive activities for younger people that will improve their skills, confidence and wellbeing.

### **Priority 4 - Older people**

Develop activities that engage with older people therefore reducing their risk of social isolation.

### **Priority 5 - Sport**

Develop activities to enable people of all ages to engage in sport and that encourages people to use the local facilities.

### **Priority 6 – Enterprise, Employment and Financial Sustainability**

Develop projects that encourage enterprise and improve the employment prospects of local people.

*(Please consider asking for contributions towards the cost of providing the services you propose as a way of ensuring that they may continue after your grant funding has ended and reference this in your application)*
